

**FOURTH AMENDMENT TO  
ASSIGNMENT AND SECURITY AGREEMENT**

This FOURTH AMENDMENT TO ASSIGNMENT AND SECURITY AGREEMENT dated as of July 30, 2015, between the **PUERTO RICO HIGHWAYS AND TRANSPORTATION AUTHORITY** (the "Authority" or the "Assignor") and the **GOVERNMENT DEVELOPMENT BANK FOR PUERTO RICO** (the "Bank"), both public corporations and instrumentalities of the government of the Commonwealth of Puerto Rico and parties to the Assignment and Security Agreement executed on August 28, 2013 (as modified, supplemented or amended from time to time, the "Assignment and Security Agreement").

**All terms not otherwise defined hereof shall have the meanings ascribed to them in the Assignment and Security Agreement.**

**WITNESSETH**

**WHEREAS**, the parties executed the Assignment and Security Agreement granting a security interest and assigning to the Bank the Revenues allocated by Acts 30-2013 & 31-2013, to secure the repayment of the outstanding bonds of the Authority issued under the Bond Resolutions, the Loan and any other amounts owed by the Authority to the Bank.

**WHEREAS**, the Authority requested the Bank to provide financial assistance from the Revenues in order to cover its operational costs and expenses. On March 18, 2015, the Board of Directors of the Bank adopted Resolution Number 10610 authorizing to transfer to the Authority fifty percent (50%) of the Revenues, up to a maximum monthly amount of Ten Million Dollars (\$10,000,000), for a period of three (3) months as of the date of the first transfer of funds to the Authority.

**WHEREAS**, pursuant to Resolution Number 2015-18 adopted by the Board of Directors of the Authority on March 30, 2015 ("Resolution 2015-18"), the Authority authorized its Executive Director to amend the Assignment and Security Agreement in order to proceed with the abovementioned transfer for a period of three (3) months and to execute all documents necessary to carry out the purposes of Resolution 2015-18.

**WHEREAS**, in accordance with the foregoing, on March 31, 2015, the Bank and the Authority executed a First Amendment to Assignment and Security Agreement.

**WHEREAS**, on April 15, 2015, the Board of Directors of the Bank approved Resolution Number 10655 to establish that the transfer of funds to the Authority would be provided solely for the months of March, April and May of 2015, authorizing to amend the Assignment and Security Agreement to include said terms. Accordingly, on April 21, 2015, the Bank and the Authority executed a Second Amendment to Assignment and Security Agreement.

**WHEREAS**, on May 20, 2015, the Board of Directors of the Bank adopted Resolution Number 10686 ("Resolution 10686"), authorizing to amend the contract between FTI Capital Advisors, LLC ("FTI") and the Bank (Contract Number 2015-BGF149) in order to perform an assessment of the potential revenue/cost structure of the Authority if a potential concession of the PR-20, PR-52, PR-53 and PR-66 toll roads occurs and increase the compensation amount by an additional Two Hundred Ninety One Thousand Five Hundred Dollars (\$291,500).

**WHEREAS**, in addition, Resolution 10686 authorized the Bank to withhold from the transfer of funds to the Authority corresponding to the month of May 2015, the amounts necessary to reimburse the Bank for FTI's fees and expenses. Accordingly, on June 16, 2015, the Bank and the Authority executed a Third Amendment to Assignment and Security Agreement.

**WHEREAS**, the Authority has requested the Bank to continue providing such financial assistance to cover its operational costs and expenses until the totality of its outstanding Obligations are transferred to the Puerto Rico Infrastructure Financing Authority ("PRIFA") pursuant to Act 1-2015, as amended.

**WHEREAS**, the Authority currently owes the following amounts to the Bank: (i) \$2,940,800 for services provided by FTI under contract number 2014-BGF104; (ii) \$352,958.66 for services provided by FTI under contract number 2015-BGF149; and (iii) \$3,264,807.55 for services provided by Álvarez & Marsal Business Consulting, LLC ("Álvarez & Marsal") under contracts number 2012-BGF124, 2013-BGF087, 2014-BGF044 and 2014-BGF076. The Bank's management recommended withholding the necessary amounts from the monthly transfers to the Authority in order to repay these amounts due to the Bank in a period of three (3) months.

**WHEREAS**, on June 17, 2015, the Board of Directors of the Bank adopted Resolution Number 10729 ("Resolution 10729") authorizing, among other terms and conditions, to continue transferring to the Authority fifty percent (50%) of the Revenues, up to a maximum monthly amount of Ten Million Dollars (\$10,000,000), to cover its operational costs and expenses until the totality of the Authority's Obligations are transferred to PRIFA pursuant to Act 1-2015, as amended, and after the corresponding deductions are made for the payment of the outstanding commitments against such Revenues.

**WHEREAS**, for the payment of services rendered by FTI and Álvarez & Marsal in benefit of the Authority, Resolution 10729 also authorized the Bank to withhold the necessary amounts from the monthly transfers to the Authority in order to repay the outstanding debt of approximately \$6,558,566.21 due to the Bank in a period of three (3) months.

**WHEREAS**, by means of Resolution Number 2015-29 adopted on July 9, 2015, the Board of Directors of the Authority approved to amend the Assignment and Security Agreement in order to continue receiving the financial assistance as described above and authorized the Executive Director of the Authority to execute all documents necessary to carry out its purposes, including any amendments in accordance with any resolution duly adopted by the Board of Directors of the Bank and subject to the Bank's financial advice.

**WHEREAS**, in accordance with the foregoing, the Bank and the Authority agree to further amend the Assignment and Security Agreement to continue providing the financial assistance requested by the Authority and include the abovementioned terms and conditions regarding the authorized withholdings.

**NOW, THEREFORE**, in consideration to the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Bank and the Authority execute this Fourth Amendment to Assignment and Security Agreement (the "Fourth Amendment") and agree as follows:

1. The Bank agrees to continue transferring to the Assignor fifty percent (50%) of the Revenues, up to a maximum monthly amount of Ten Million Dollars (\$10,000,000), to cover operational costs and expenses of the Assignor. The parties agree that such transfers shall be made until all outstanding Obligations owed by the Assignor to the Bank are transferred to PRIFA pursuant to Act 1-2015, as amended, and after the corresponding deductions are made for the payment of the outstanding commitments against such Revenues.

The parties specifically agree that all other terms and conditions established in Sub-Section 3.2(iii)(a) of the Assignment and Security Agreement, as amended, not inconsistent with the foregoing, shall remain unaltered and in full force and effect.

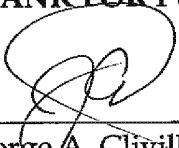

2. For the payment of the outstanding debt of approximately \$6,558,566.21 owed to the Bank regarding services rendered by FTI and Álvarez & Marsal in benefit of the Assignor, the parties agree that the Bank will withhold the necessary amounts from the percentage of Revenues to be transferred to the Assignor under Sub-Section 3.2(iii)(a) of the Assignment and Security Agreement, as herein amended, to repay such amounts due in a period of three (3) months.

3. This Fourth Amendment does not constitute a novation of the obligations set forth in the Assignment and Security Agreement, the Loan Agreement and the Loan Documents, and all provisions of the Assignment and Security Agreement, as amended, the Loan Agreement and the Loan Documents, not inconsistent with this Fourth Amendment, shall remain in full force and effect.

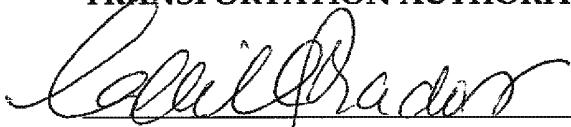

4. In the event that any provision of this Fourth Amendment is declared to be void or unenforceable, the remainder of this Fourth Amendment shall not be affected thereby and shall remain in full force and effect to the extent feasible in the absence of the void and unenforceable declaration.

**IN WITNESS WHEREOF**, the Bank and the Authority have caused this Fourth Amendment to Assignment and Security Agreement to be executed and delivered by their respective officers thereunto duly authorized, in San Juan, Puerto Rico, as of the date first written above.
